Dear Parents and Carers,

Last Friday we welcomed many grandparents and special visitors to our Book Week Dress up and activity day. What a great success!! It was wonderful to see several generations of families participating in classroom activities together. I hope families enjoyed the photos that went home on Friday and the pictures from the parade on our school Facebook page.

eSmart PARENT NIGHT - TOMORROW!!!!

Alannah & Madeline Foundation

Many parents have expressed concern about the amount of time their children spend using digital technologies outside of school. We are, therefore, very pleased to offer this opportunity to hear from experienced, expert presenters on this very subject!
All parents and carers are warmly invited to join us for our eSmart Parent Night. We are running this event in conjunction with the Alannah and Madeline Foundation, to help equip our staff and parents with the skills and knowledge to support our children when they're online.
The evening will commence with pizza and drinks at 5:45pm. Students will be supervised while parents attend the presentation.
It's not too late to attend, however, we ask that you please contact the office so that we can allow for extra catering!!

FATHER'S DAY STALL - SSShhhh!

A reminder (for everyone reading, except Dads, who shouldn't read this special font!), there will be a Father's Day stall on Thursday morning, 29th August. Items at the stall are priced at $1, $2 and $5. A bag will be supplied for students to take their special presents home.

FATHER'S DAY BREAKFAST

Earlier this week we sent out details for our Fathers Day Breakfast, where we will celebrate a special breakfast with the wonderful Father's in our community- Dads, grandparents and special people in the lives of our students. We look forward to hosting breakfast in the Parish Hall on Friday 30th August.

CEMSIS SURVEYS (Formerly InsightSRC Surveys)

As we strive to constantly improve the way we work at Our Lady of Lourdes Primary School, we regularly seek feedback from stakeholders within our community. In 2019 we are introducing the CEMSIS Surveys, to be completed by staff, senior students and parents within our community. Over the next few weeks parents will be invited to comment on the performance and direction of learning at our school, providing an opportunity to shape the future direction of our school.

The Way To GO this week is…

I can use good memories of things to help me bounce back.

When we are feeling sad it helps to remember some of the good times in our life to help us feel a bit better. *Remember*: *Always look on the bright side!*
